Also available with foam dispenser—model 20365.

OUR PREMIER SOAP DISPENSERS CAN NOW DISPENSE HAND SANITIZER

Designed with high traffic environments and hygiene in mind, our automatic dispensers now serve a dual purpose—to cost effectively dispense either soap (liquid or foam) or hand sanitizer (gel or foam). Powered by 6 AA-size batteries makes them untethered so they can be mounted to a wall or just about anywhere. Featuring Type 304 stainless steel cover and a translucent removable internal tank for easy-to-view level.

Optional mounting stand available—model FS-0300. Compatible with 20364, 20365, 0361, and 0362.
